"Louise bought 161 Lincoln avenue from Mom for $1.00 and then Mom and Pop bought it from Louise. They did so to get Pop's name on the deed as well as Mom's."

Renters at 161 Lincoln Avenue

On February 19, 1980, at the regular monthly meeting of the Berean Baptist Church's Women's Council, Donald W. Powell spoke on 19th century Carbondale maps, and in the course of the presentation he mentioned that Theron and Mary Emma Loomis lived at 161 Lincoln Avenue. At the end of the presentation Thelma Chubb came up to DWP and said, "I rented there [161 Lincoln Avenue], that was my first home, 42 years ago."
